

# Next Steps

Thank you for taking the time to visit us today. It would be really helpful if you could spare a few moments before you leave to complete a short feedback form.

We'll continue with surveys and investigations to help define our proposals and will be holding further information sessions in autumn this year to keep you updated.

Once the plans for each stage of work are more defined, we're expecting to submit planning applications to each local authority in early 2021.
